★★★★★ **Non stop read!**

Reviewed in the United Kingdom on 17 August 2026

Format: Paperback **Verified Purchase**

I don't read many novels but saw an article in the Irish News about the author of this book and ordered it. Arrived last Thursday and I finished it tonight. Loved the story line which had so many twists, a few good laughs in there as well. It was an easy read and was hard to put down as you just wanted to see what happens next! Well done Réamann - looking forward to the next one!

It's been a while since I've read a book I couldn't put down, one where I felt the connection between the main characters, rooted in familiar surroundings in a time I remember and I could not wait to find out where this lead them! Thoroughly engaging from start to finish. I really enjoyed the storyline and I can't wait to read the next one in the trilogy!

★★★★★ **A gem of a novel**

Reviewed in the United Kingdom on 11 August 2026

Format: Paperback **Verified Purchase**

This novel gives a panoramic look at the characters in Ulster in the mid nineties, and how they think work and play. An extremely well constructed novel. The style of writing and the descriptions are up with the best of the contemporary novelist of today. I certainly would recommend reading this story which captures the mood of N.Ireland in the late 90's. I'm looking forward to reading Raymann Kennedy's next novel.

Format: Paperback **Verified Purchase**

This is a thoroughly enjoyable, fast paced thriller that handles the sensitive issues from Northern Ireland's history. The author creates a vivid imagery that transports the reader to each scene. Even more impressive is that this is a debut novel! I highly recommend this book.

I thoroughly enjoyed The Marksman's Gospel. It is a compelling and thought-provoking story, with an intriguing storyline that held my attention throughout. I felt a particularly strong sense of empathy for Conor; his character and journey stayed with me long after I finished reading. While his early and rather swift relationship with Andrew didn't entirely ring true for me, it was a minor point that ultimately did little to detract from the power of the story. The characters, emotions and underlying themes made it a deeply engaging read. I look forward to the next chapter and to discovering where the story takes us next.
